

PUBLIC NOTICE

**US Army Corps
Of Engineers**
Wilmington District

Issue Date: May 15, 2024

15 May 2024 – Permit applications are now available in RRS.

USACE is pleased to announce that the new national online application portal and management platform, known as the Regulatory Request System (RRS) now includes an electronic submission option for permit applications. This platform has been introduced to modernize our permit application process and to address our users' expectations by providing a straightforward and transparent process for the submittal of permit requests.

RRS is a web-based platform currently in a beta version that enables users to submit pre-application meeting requests, jurisdictional determination requests, and now applications for individual and general permits. This new system aims to streamline the process, improve efficiency, and provide a more user-friendly experience for our applicants.

We believe that RRS will not only benefit our users by simplifying the application process but will also enhance our ability to effectively manage and review permit requests. We are confident that this modernization initiative will lead to improved customer satisfaction and greater overall efficiency within our Regulatory Program.

We encourage users to explore and utilize the new Regulatory Request System to take advantage of its benefits and features. Visit rrs.usace.army.mil today!

**Currently, the Wilmington District and the North Carolina Division of Water Resources (NCDWR) have a Joint Permit Application (JPA) procedure for Nationwide or Regional Permit Applications or Pre-Construction Notifications (PCNs) within the Wilmington District. At this time, JPA processes are not available via the RRS. Applicants can submit JPAs through the NCDWR link below:

<https://www.deq.nc.gov/about/divisions/water-resources/permitting/401-buffer-permitting/application-forms-help-documents>

Additionally, electronic permit applications submittals are accepted by the Wilmington District to the appropriate field offices at the following addresses:

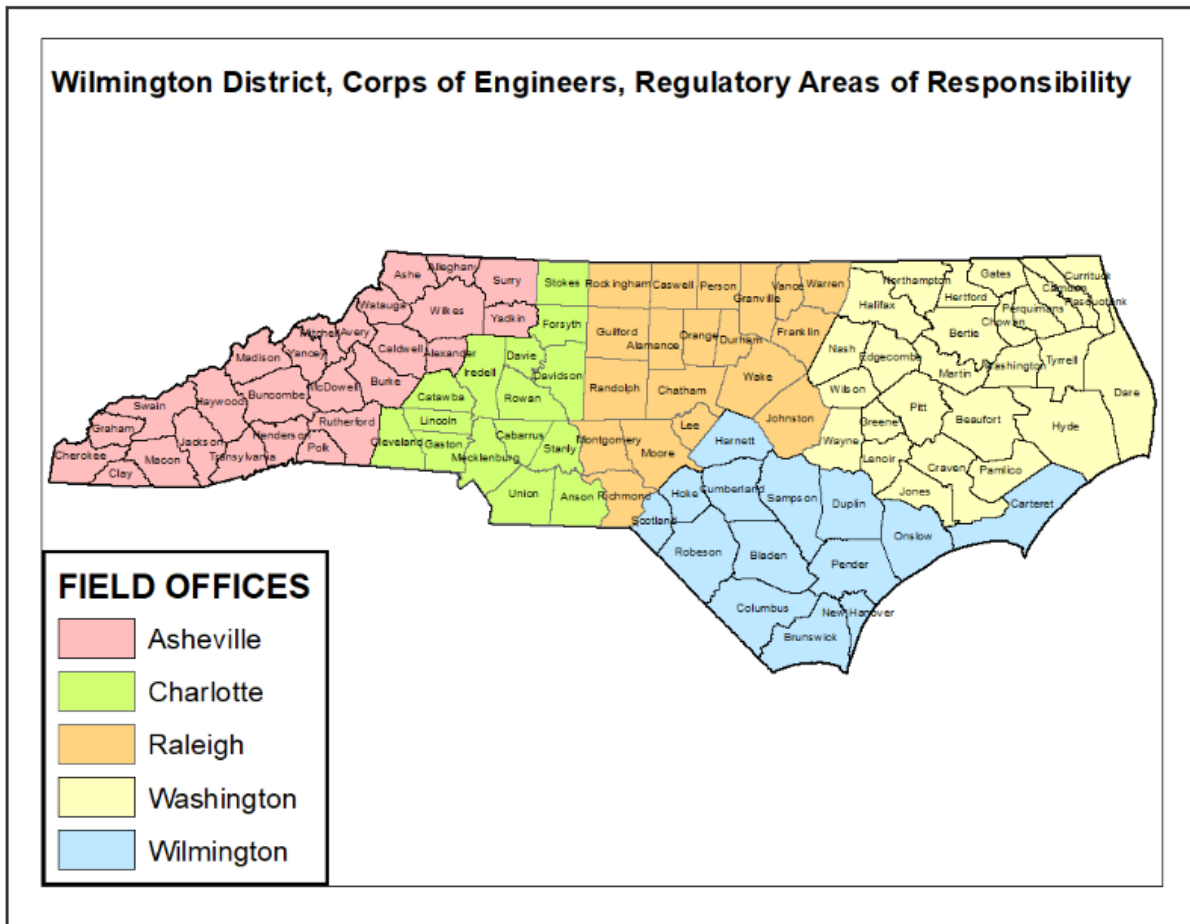

Projects covered by the Wilmington Regulatory Field Office must be submitted to email address: WilmingtonNCREG@usace.army.mil

Projects covered by the Washington Regulatory Field Office must be submitted to email address: WashingtonNCREG@usace.army.mil

Projects covered by the Raleigh Regulatory Field Office must be submitted to email address: RaleighNCREG@usace.army.mil

Projects covered by the Charlotte Regulatory Field Office must be submitted to email address: CharlotteNCREG1@usace.army.mil

Projects covered by the Asheville Regulatory Field Office must be submitted to email address: AshevilleNCREG@usace.army.mil

For additional information on or to provide feedback on RRS, please contact us using the following email: rrs@usace.army.mil.
